

ADULT CO-ED GOLF CLINICS

What could be more fun than learning to play golf on Friday evenings? PGA Professional, Brad Heilman will make sure that you have a great time at the Adult Co-Ed Golf Clinics. Make 2018 the year you learn how to play the golf or improve your game. Learn all the fundamentals of the golf swing, basic rules of golf and golf course etiquette.

Each 8-week Adult Co-Ed Golf Clinic is held on Friday evenings from 6-8pm and includes 4 weeks of professional instruction, 4 weeks of league-style play and a practice pass. There will be 2 different sessions in 2018.

You will need to wear comfortable clothing, sneakers or golf shoes, and golf clubs. We do have a limited number of golf clubs that can be borrowed.
