

2018 LADIES GOLF CLINICS

Our 2018 Ladies Golf Clinics are open to women with a desire to learn or improve their game. PGA Professional, Brad Heilman, will make sure that you have fun while you learn to play golf. You will learn the fundamentals of a proper golf swing. This will include instruction on woods, irons, the short game, chipping and putting. We will also teach you the basic rules of golf and etiquette so that you feel confident on the golf course and in the clubhouse.

All of the 8-week ladies clinics are at Cottonwood Creek on Wednesday's from 6-8 pm. Each 8-week clinic includes 4 weeks of professional instruction, 4 weeks of league-style play and a practice pass. There will be 2 different spring sessions in 2018.

You will need to wear comfortable clothing, sneakers or golf shoes, and golf clubs. We do have a limited number of golf clubs that can be borrowed.
